# Why EduTarget is beneficial for Learners?

 Explore e-Books & Study Materials: Access a vast collection of e-books, notes, and practice materials across multiple subjects — all created by expert teachers to support your learning journey.

 Quizzes & Practice Tests: Challenge yourself with interactive quizzes and mock tests designed for both Board and Competitive Exams, helping you evaluate progress and build confidence.

 Learn Multiple Subjects: Study everything from Current Affairs, General Knowledge, and Mathematics to Programming, Interview Preparation, and more — all in one place.

 Created by Experienced Teachers: Every resource is prepared by qualified educators with real teaching experience, ensuring accurate, effective, and easy-to-understand content.

 For Learners - Anytime, Anywhere: Learners can easily access e-books, quizzes, and study materials anytime, on any device — making learning flexible, smart, and exam-focused.

# Popular Notes

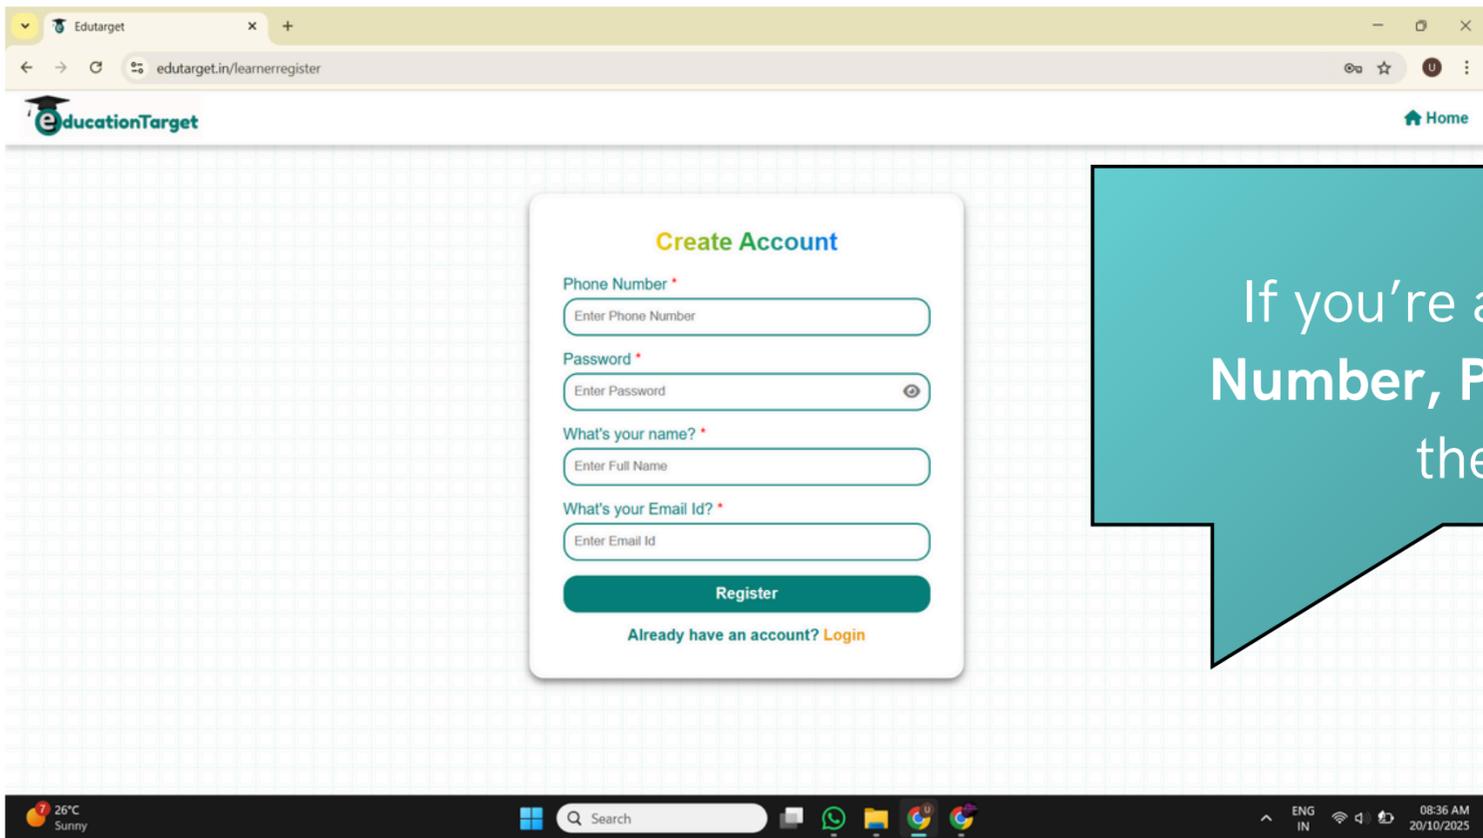

In the "Popular Notes" section, learners can view a sample file by clicking the "Sample File" button and purchase e-book materials by clicking the "Buy Now" button.

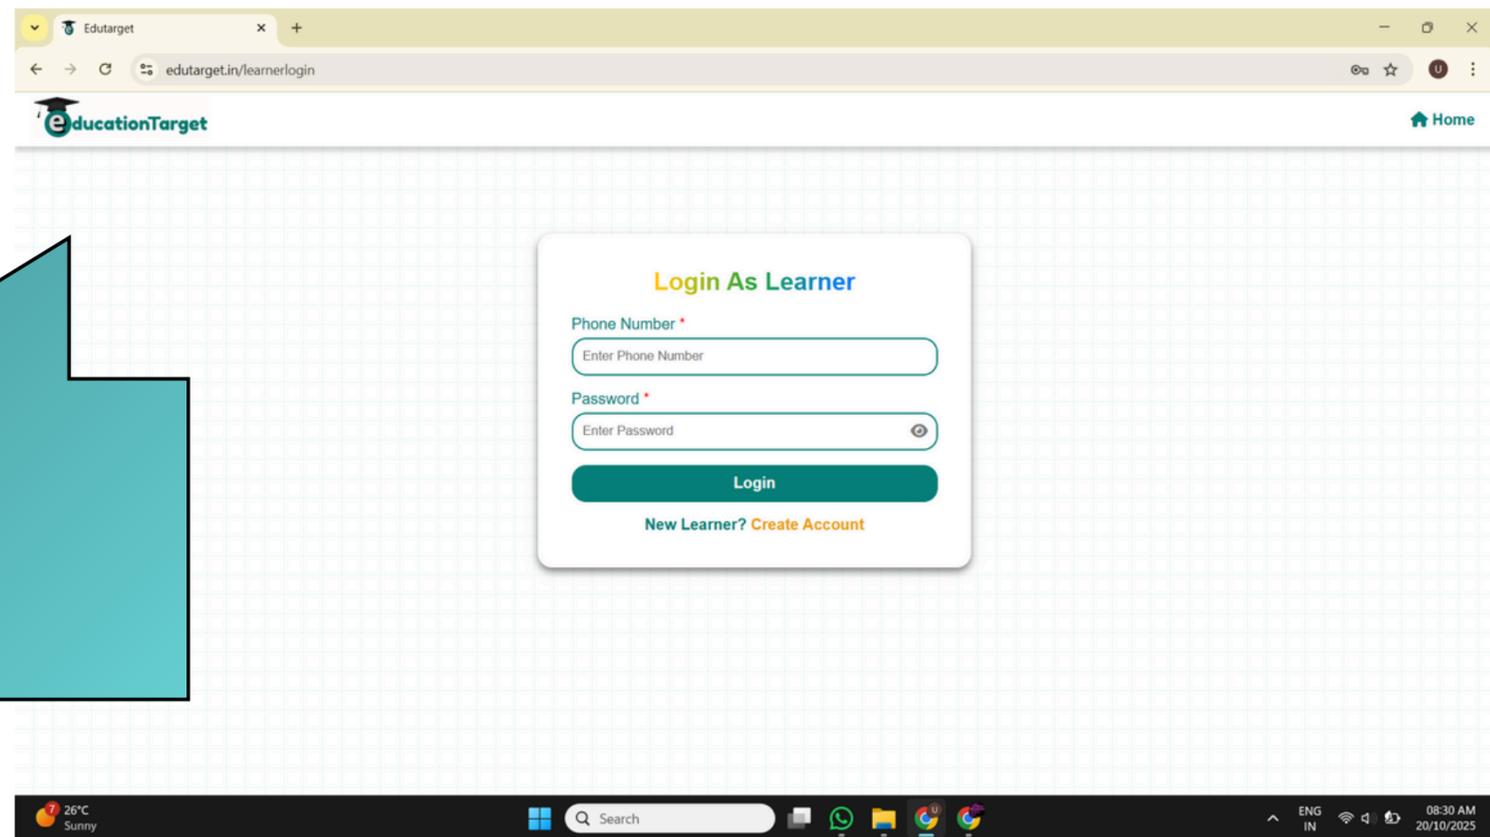

In the "Expert Instructors" section, learners can explore and access study notes and e-books shared by specific teachers.

Before clicking "Buy Now", please go to the "Login/Signup" page to login or create a new account.

# Learner Registration & Login Procedure

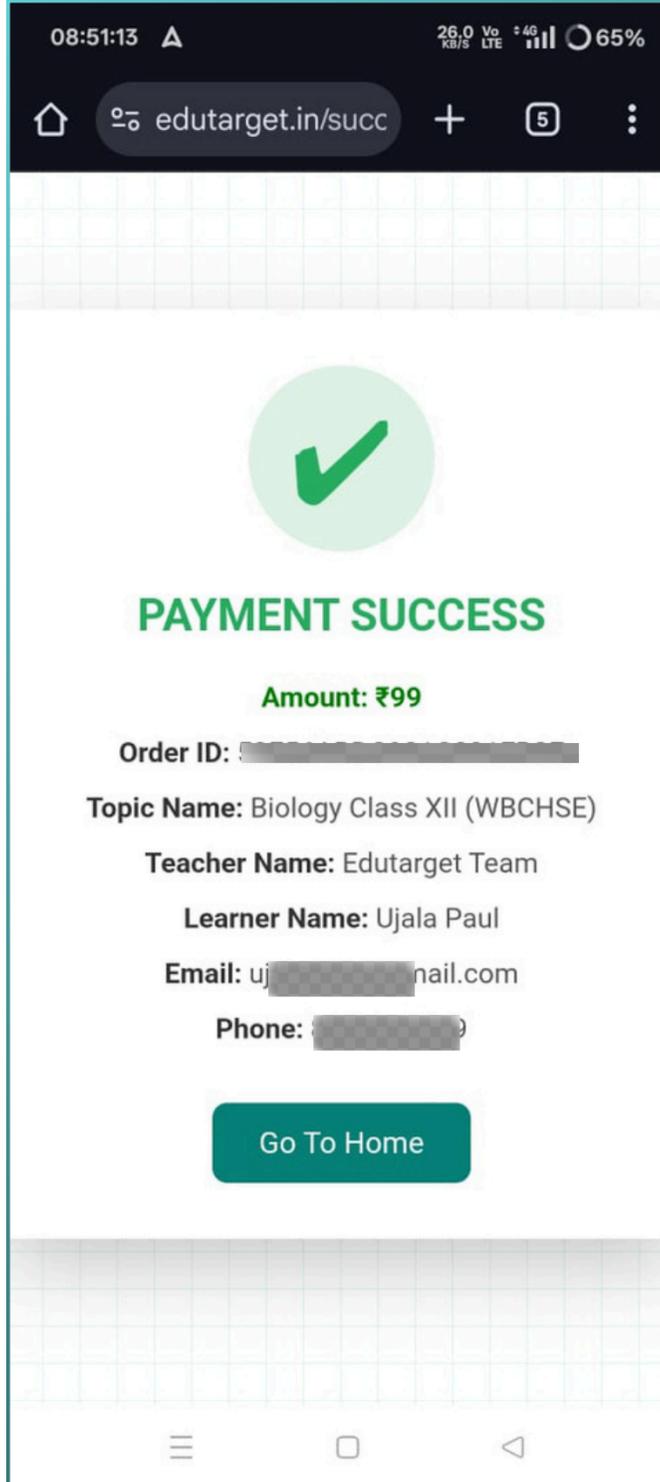

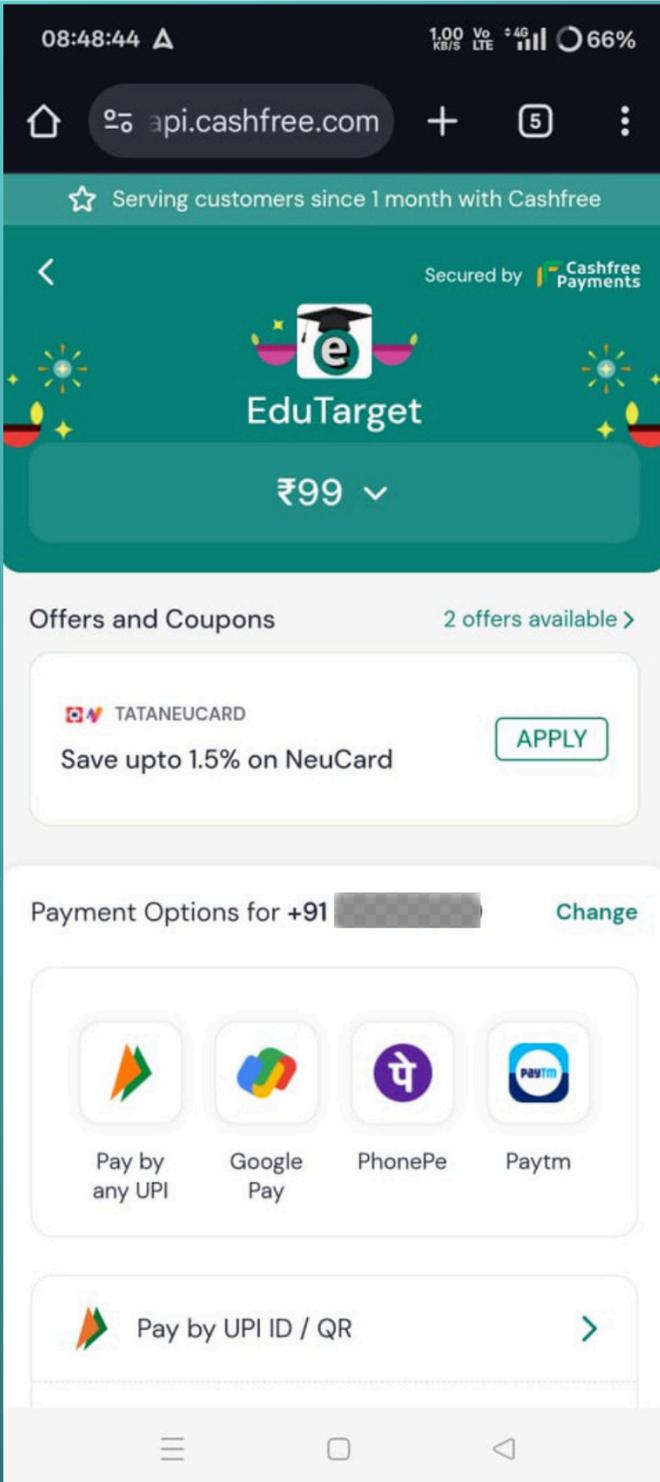

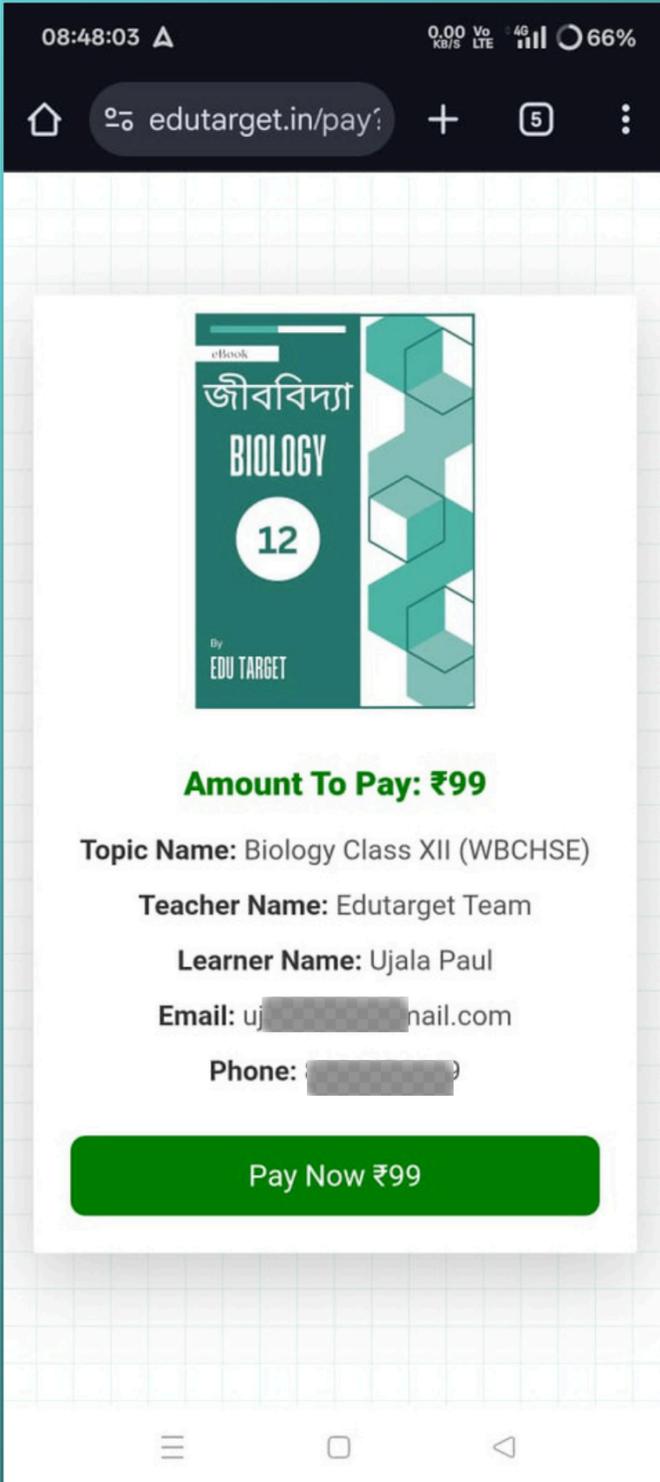

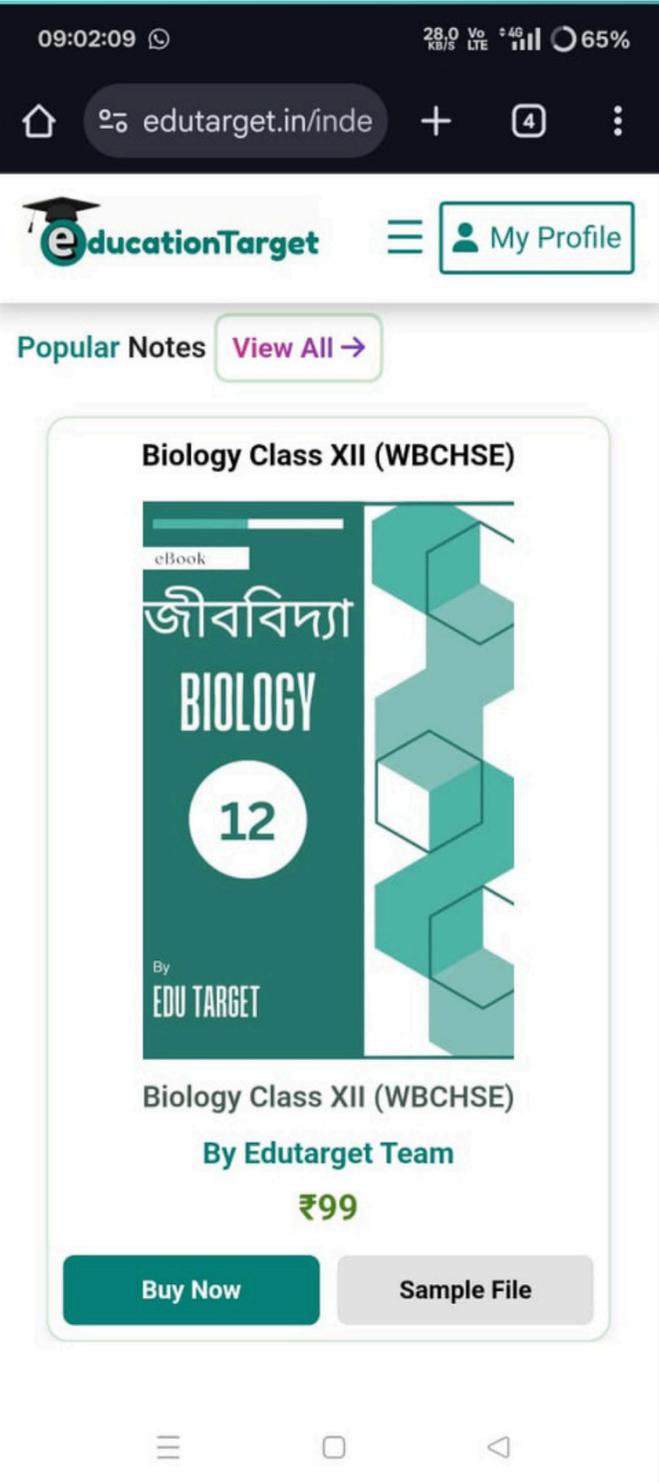

Click on the "Login/Signup" button.  
If you're a New Learner, fill in the required details — **Phone Number, Password, Name, and Email ID** — and then click on the "Register" button to create your account.

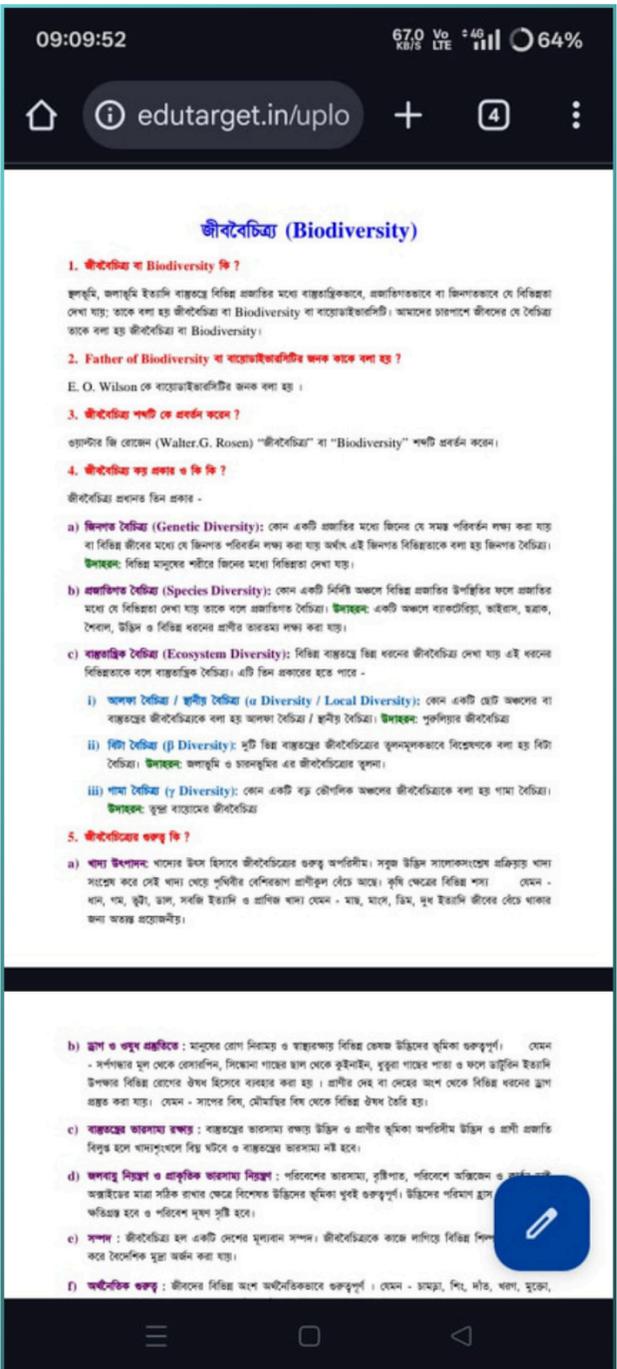

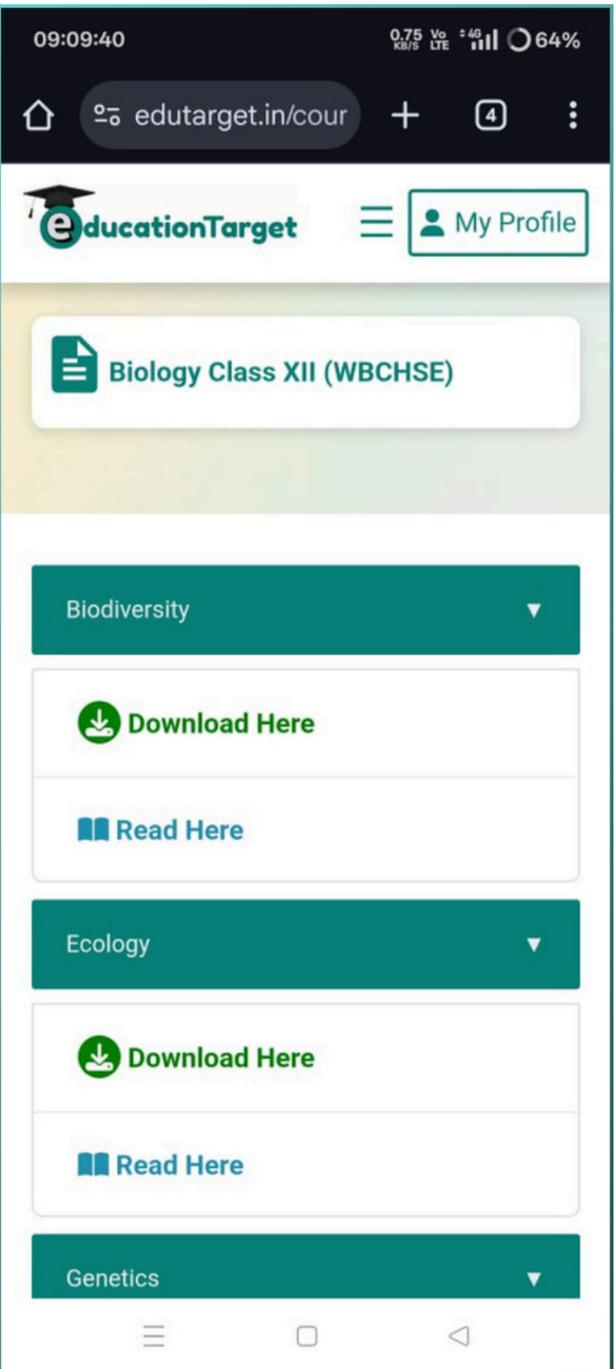

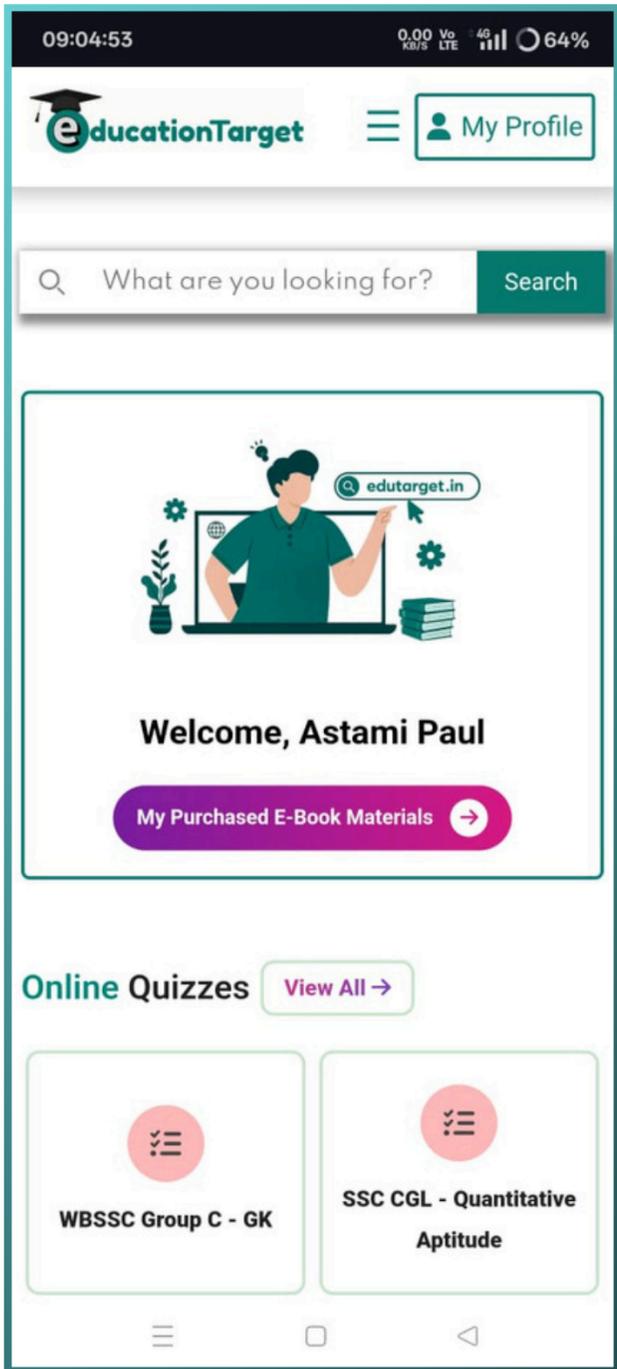

If you already have an account, please login using your registered **phone number** and **password**.

# Payment Procedure

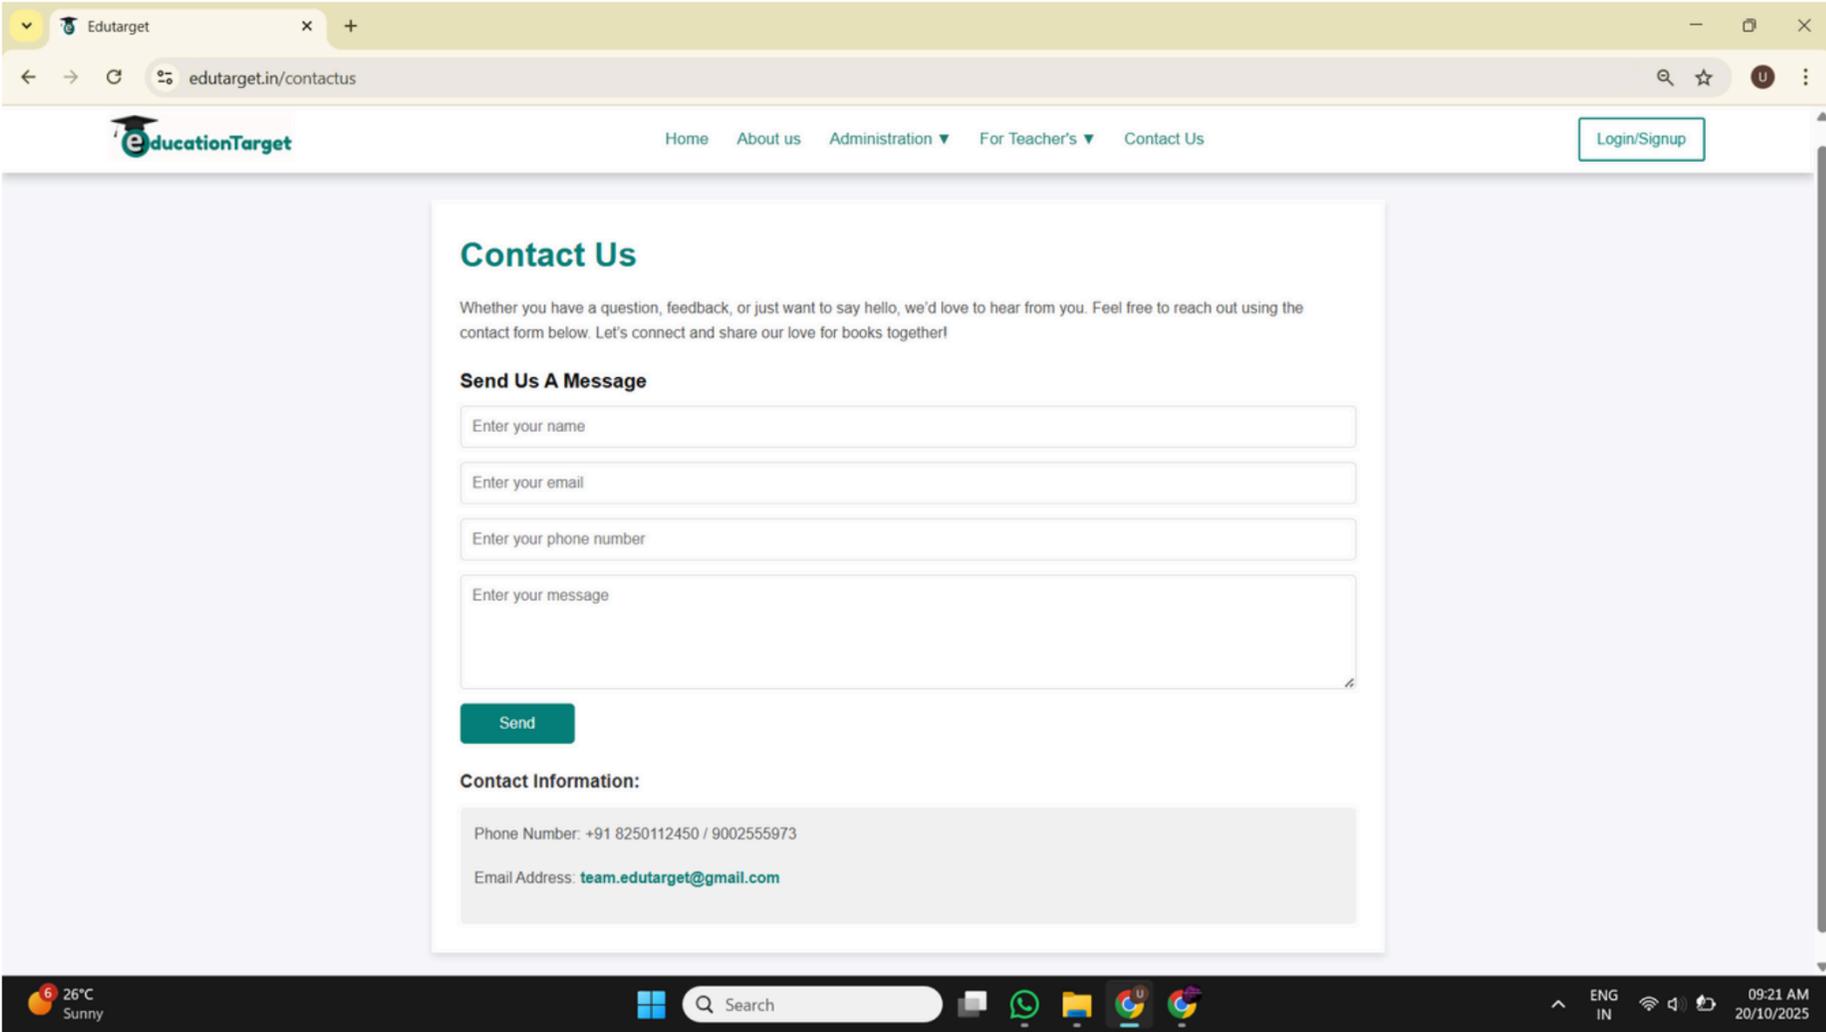

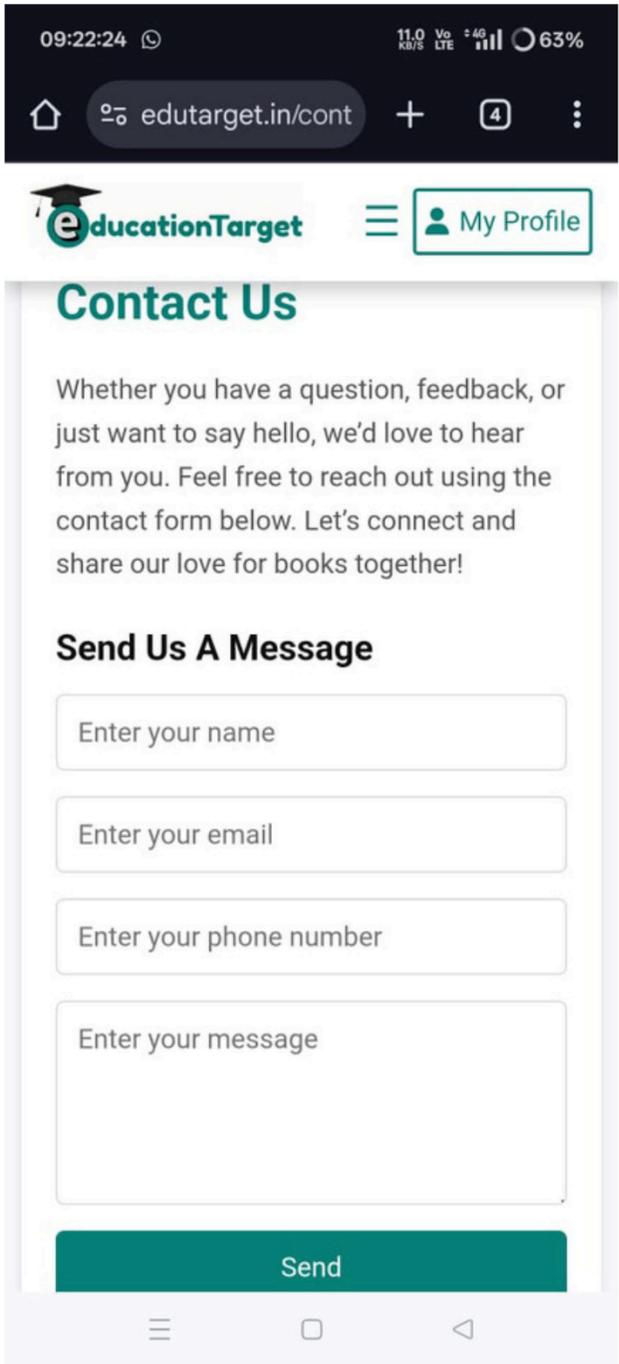

# My e - Book Materials

After successful payment, click on the "My Purchased E-Book Materials" button to access your purchased materials.

# Contact Us
